

Dear Parents/Guardians:

The Toledo School for the Arts Jr. Division mathematics advanced placement exam will be administered on **August 19, 2022 from 9:00 am – 10:30 am**. The exam will be open to those entering grades 6-8 who wish to **skip** a grade level in mathematics.

In order to facilitate the testing process, students/parents **must RSVP with Mrs. Gill by Friday August 12, 2022. Students/parents should email kgill@ts4arts.org and leave their student's full name along with incoming grade level**. Please do not call the school. Messages left for Mrs. Gill will not be received in time for testing. Students must meet the criteria for consideration listed below prior to registration. Please bring a pencil and calculator to the exam.

Drop-off and pick-up should be at the main school entrance at 333 14th street. Jr. Division math teachers will be present to help students find the testing rooms as well as proctor the exam. Please arrive by 8:50 am so that the exam may begin promptly at 9 am.

Criteria for consideration: (Based on teacher discretion)

In order for a current or future TSA student to be considered for advanced placement in a math Jr. Division class, the following criteria needs to be met:

- 1) B's or higher in math for every grading period in the previous school year. (New students should have a copy of their report card on file with the school)
- 2) Pass the end of the year course exam for the math class that the student wishes to skip with a B average (83% or higher)

Suggestions to prepare for this advanced placement exam:

Khan Academy: watch videos and solve practice problems.

If you have any further questions, please feel free to contact Mrs. Gill at kgill@ts4arts.org.

Thank you,

Jr. Division Mathematics Dept.
