

Hello TSA Families!

I hope your summer is fantastic, healthy, and safe! TSA is getting ready for a very big 2022/2023 School Year. I am very excited about my new role as Interim Director of TSA and look forward to serving the School in a new manner.

Next Big Thing Construction Update

The planned summer renovations on the second floor are proceeding on schedule and budget. When families return to TSA in September the new Flying Pig Café will be complete (relocated to the second floor) along with 3 new classrooms, expanded costume studios and theater shop. The new stairwell will also be finished. Construction of the Community Portal and Annex (Performance Arts Classroom) will begin later this year.

Please note that we will only use the **Main Entrance** on 14th Street for Student Schedule Pick up on August 25th and 26th. The Dock Entrance will likely still be blocked by construction.

In this mailing you will find:

- The Arts Courses Supply Lists (specific to your students' art electives)
- Transportation Information Sheet
- Child Find Information
- Parent Org Information Sheet
- Updated Calendar for the Year
- Healthy Family Healthy Start Information

Remember access to the on-line forms that ALL families must complete is open. Please help us out by planning to complete your child's forms in a timely manner. We are still making offers to new students and your timely completion of these forms will greatly impact the enrollment process

Finally, I am extremely pleased to report that the **Arts Schools Network**, the nation's largest professional membership organization of specialized arts schools, has designated TSA as an Exemplary School for 2022-2027 based on their comprehensive review of our school's purpose, operations and results in arts education.

Thank you for your continued support of TSA and have a great rest of the summer!

Rob Koenig
Interim Director

IMPORTANT DATES TO REMEMBER

(Please review your email and website for updated information)
