

Transportation Services Information

Toledo School for the Arts (TSA) does not provide direct transportation services due to the financial and time constraints of efficiently covering the large geographic area needed to provide transportation for our students. However, after careful consideration, the following options are available for our students' families. After reviewing these options, please feel free to contact Mrs. Jones in our first floor office if you have additional questions or need assistance with our transportation services. Mrs. Jones can be reached at ajones@ts4arts.org or (419) 246-8732 ext. 422.

Available School District Transportation:

- Currently, yellow school bus service is available only to students residing in **Sylvania City School District(s) and TPS (see the enclosed letter/form regarding TPS partnership with Trinity Transportation and instructions on how to request transportation as well as deadline):**
 - a.) Parent/Guardians must coordinate this service with the appropriate district's transportation department directly. For your convenience, the contact information for several districts is listed on the back of this document.
- The **TPS Transportation Request form** is available before the start of school on the **TPS website** at: <https://www.tps.org/UserFiles/Servers/Server7818346/File/Departments/Transportation%20Services/TRANSPORTATION%20REQUEST%20FORM%202021-2022.pdf>
 - a.) Applications must be sent or taken directly to **TPS Transportation Department 5600 Hill Ave. Toledo, OH 43615**

Payment in-lieu of Transportation:

- The Ohio Revised Code authorizes boards of education to offer payment-in-lieu of transportation in instances where it is impractical for the school to provide direct transportation services. The amount of this reimbursement is set by the Ohio Department of Education.
- Please note that this option is only available to those who have not already requested district transportation, if available.
- Parents/Guardians must contact their home district's transportation department for specific procedures regarding the payment-in-lieu option as each district has their own forms, processes and deadlines. For your convenience, the contact information for several districts is listed on the back of this document.

Carpooling:

- TSA is fortunate to have a very active and involved Parent Organization, which organizes carpool lists for our families.
- During schedule pick-up days, carpool sign up lists organized by zip code will be available for parents/guardians who would like to carpool.
- Finalized lists are distributed via email to interested parents/guardians for self-coordination of carpools.

Parent/Guardian and Student Drivers:

- The Student parking lot is located on the west side of 15th St. across from the TSA school building. The hours for this lot are from 7:00 a.m.-7:00 p.m., Monday-Friday.
- TSA Visitor parking lot is available at the corner of Madison Ave. and 14th Streets (entrance off of Madison Ave.).

Area School District Transportation Offices
